NEW: TALKSPACE ONLINE THERAPY

Access confidential 24/7 counseling by phone for support with:

Access licensed counselors from the convenience of your phone or laptop via Talkspace, a leading online therapy service. Regularly message a dedicated therapist via text, voice, or video on the Talkspace platform as life happens — anywhere, anytime. Therapists engage daily, five days a week.

With a provider network growing in diversity and size, Talkspace aims to have providers representative of you and your family where:

- Thirty-two languages are represented;
- 32% of providers are experienced with LGBTQIA+ issues;
- 41% of its providers specialize in adolescent care;
- 33% of providers identify as BIPOC; and
- 27% of providers have experience with veterans' issues.
