

YOUR PREVENTIVE CARE CHECKLIST

One of the best ways to stay healthy is to get regular checkups, vaccinations, and screenings – and many of these preventive services are covered at no out-of-pocket cost to you. Check out this list of recommended care and ask your doctor about which services are right for you.

Source: Department of Health and Human Services and the Centers for Disease Control, URLs can be found on page two.

Centers for Disease Control: www.cdc.gov/vaccines/

Members can find in-network providers by calling Portico Care Coordinators from Quantum Health at 877.851.5656.

Sign in to myPortico to find the list of ELCA-Primary preventive benefits. Plan member rights under the plans are governed by the plan documents, which are the full, legal descriptions of the plans. If any of the information on this page is inconsistent with the corresponding plan document, the plan document is the controlling document. ELCA-Primary health benefits for in-network preventive services are paid at 100% when billed as preventive by your provider. Also, the first one of the following in-network services in a plan year is paid as preventive regardless of how it's submitted by your provider: Cholesterol/lipid profile, colonoscopy, hemoglobin A1C test, mammogram, Pap test, PSA test, urine microalbumin screening, vision exam.
